

The 29th Annual Will Marshall Insurance Golf Tournament

In Support of the
Seasons Centre for Grieving Children
Sunday, September 10, 2023

The Centre provides support for youth aged 5 to 24 who are grieving the death, or impending death, of an immediate family member. Proceeds from this tournament will go directly to the Seasons Centre for use in providing the programs and services they offer to all who wish to attend, regardless of their circumstances.

This year's tournament will count our 22nd supporting the Seasons Centre, and with the charitable support of our partners, we've raised nearly **\$162,000.00**

We would greatly appreciate your generosity in once again supporting this important cause, by contributing either or both of the following:

- **Hole Sponsorship for \$350.00**
- **Prizes for our prize table**

Hole sponsorships are payable by cheque to Will Marshall Insurance Brokers – an invoice will be provided upon request. All sponsors are invited to set up a booth on a selected hole. Please notify Colin Marshall or Julyenne Brosseau in advance if you wish to do so.

Will Marshall personally appreciates your support.
